POLITICAL DEMONSTRATIONS

Sir:

The following is submitted for your information.

A group of students from NORTH TEXAS UNIVERSITY is planning to take part in demonstrations during the proposed visit to DALLAS by President KENNEDY the 21-22 of November.

This group of students belong to the YOUNG REPUBLICAN CLUB of NORTH TEXAS UNIVERSITY. Some of these students have recently visited in the home of GENERAL EDWIN A. WALKER here in DALLAS and later attended the U.S. DAY rally at the DALLAS MEMORIAL AUDITORIUM sponsored by GENERAL WALKER. This group is highly sympathetic with WALKER and are going to support his group. Those visiting in WALKER'S home were WILLIAM DREW FITZ, WILLIAM IVAN SNODGRASS, MICHAEL RAY BOWLIN and RONNIE BEALL.

After returning to DENTON from DALLAS, WILLIAM DREW FITZ stated that plans were being made for the coming visit of the President. FITZ stated, quote "We will drag his dick in the dirt", end of quote. Fitz emphasized that his group would have well planned demonstrations during the President's visit to DALLAS.

Confidential informant T-1 states that a meeting was to be held in DENTON, TEXAS by this group. The meeting was to be held last night, 4 November 1963 at COLONIAL OAKS APARTMENTS in Apartment 111. This meeting was called by LES TOOKER, an officer in the YOUNG REPUBLICAN CLUB of NORTH TEXAS UNIVERSITY. TOOKER was being assisted by one BILL CALHOUN. This was to be an organizational meeting for a WALKER movement at the UNIVERSITY. This group plans to have GENERAL WALKER in DENTON for a talk in the near future.

The Dallas police informant inside the Young Republicans reported the participation of this group in the attack on Stevenson, understated as a "demonstration".

T-1 will furnish this office with information of last nights meeting in DENTON, TEXAS.

Source further stated that approximately twenty (20) students from NORTH TEXAS UNIVERSITY took part in the demonstrations against ADLAI STEVENSON at the MEMORIAL AUDITORIUM THEATRE 24 October 1963. Between 20 and 30 students had attended the U.S. DAY rally 23 October 1963.

(Note by HW: Not mentioned in any of the suppressed reports (confirmed to me by the National Archives) is the arrest of a student living in Oak Cliff, where Oswald's rooming house was, immediately after the assassination and by the Secret Service. According to Time dated 11/30/63, Russell W. McLarry, 21, allegedly having said on hearing the President had been shot, "I hope he dies," was released on $2,500 bail. The charge says "that he would be working near the Trade Mart in Dallas, Texas, where the President was supposed to speak and that he would be waiting with a gun to get the President". It was a "joke", McLarry said. Although the Secret Service arrested him, they are part of this "joke", as is the Warren Commission, both having suppressed it. Can there be a better reason than that the President was shot "near the Trade Mart"? McLarry described himself as a "conservative".)

Could this series of relevant reports be among those exhibits entered into evidence, then removed and said not to exist? The entire pattern of federal "investigation" and "reporting" is of protection of the right extremists.
